HIGHLIGHTS

Bluetooth® in-ear headphone with integrated remote control and rechargeable battery

- High-performance in-ear Bluetooth® headphone
- Developed in Germany
- Premium design by DWX Thiele
- 9.2 mm Klippel®-optimized laser tech driver
- Integrated high-performance lithium-ion battery: lasts up to 8 hours, rechargeable via USB in less than 1 hour
- Integrated high-precision stereo amplifier with Bluetooth® 4.1 for best sound quality
- Bluetooth® operation (volume, play/pause, next/last track, phone) from many smartphones via control elements on the integrated cable remote control
- Built-in wind-protected microphone for hands-free telephone operation
- Premium flat cable with integrated remote control and compact rechargeable battery
- Very comfortable to wear thanks to optimized ergonomics
- Noise isolation ear-tips in three sizes
- Additional sports adaptor for secure fit even during movements and workouts
- High-quality surfaces
- Accessories: three different sized ear tips (S, M, L), sports adaptor (universal size), transport bag, USB charging cable, owner's manual
